Student Life

The Quad

What a beautiful place to relax!

The quad is a popular place for family and friends to gather while visiting Westminster's campus. . . .

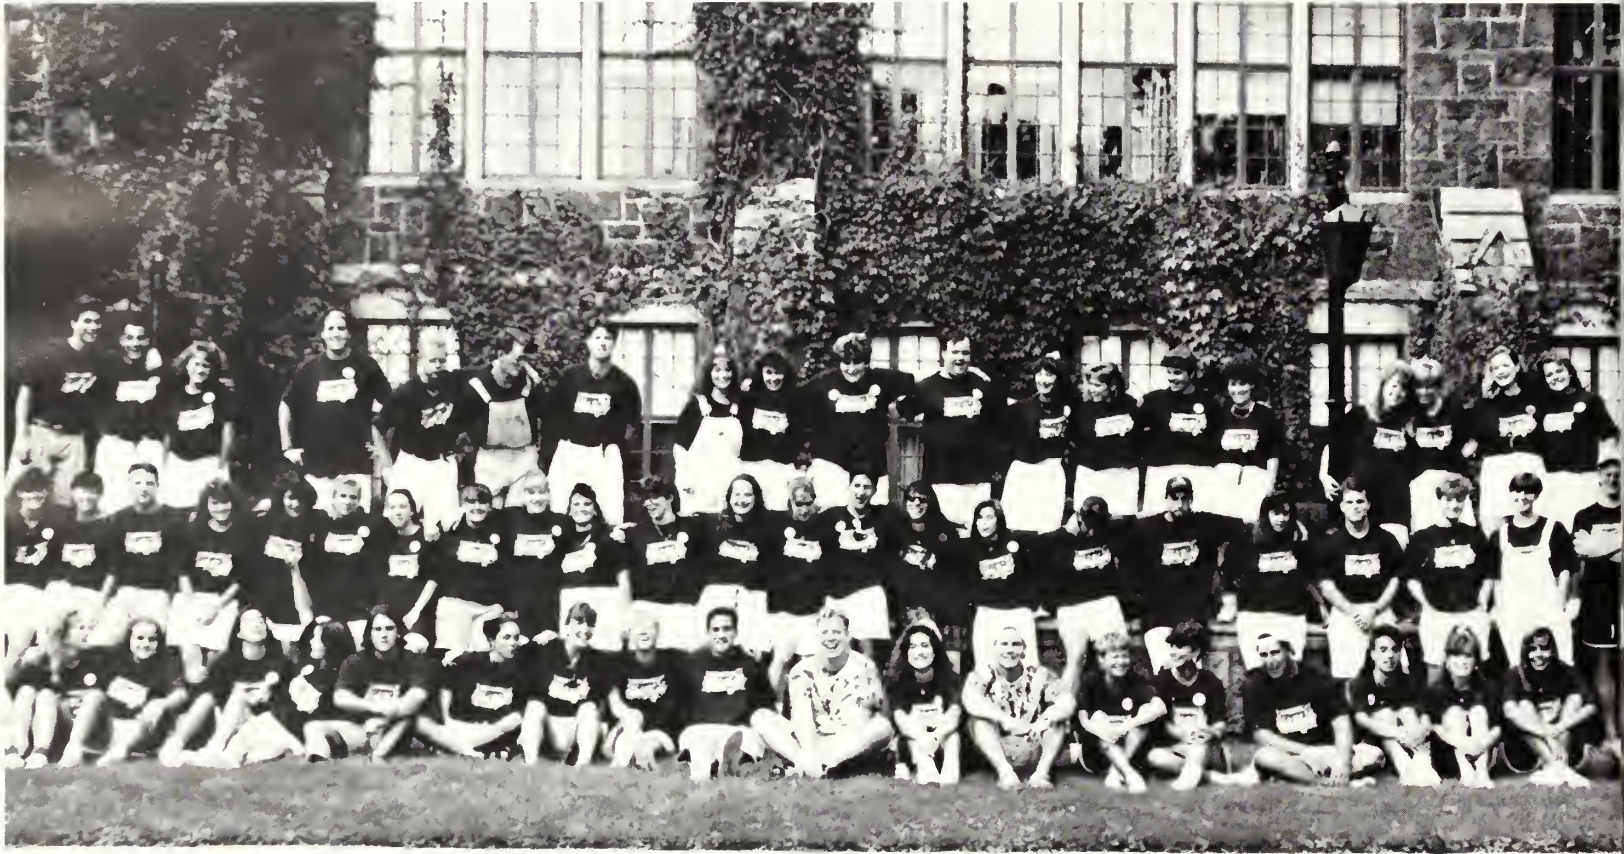

. . . Although it seems Tim Richardson would rather soak in the atmosphere in his own unique way.

Freshstart

making a tough transition easier!

This group of students known as the Fresh Start leaders help the incoming freshman get acquainted with each other and the school at the same time.

And, this group of students became the Class of '96 when they arrived to Westminster's campus.

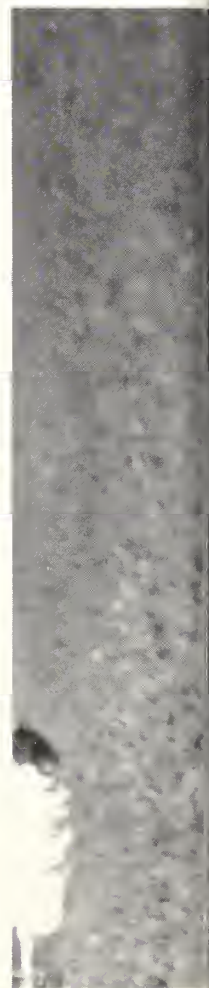

The Celebrity Series

The finest entertainment around!

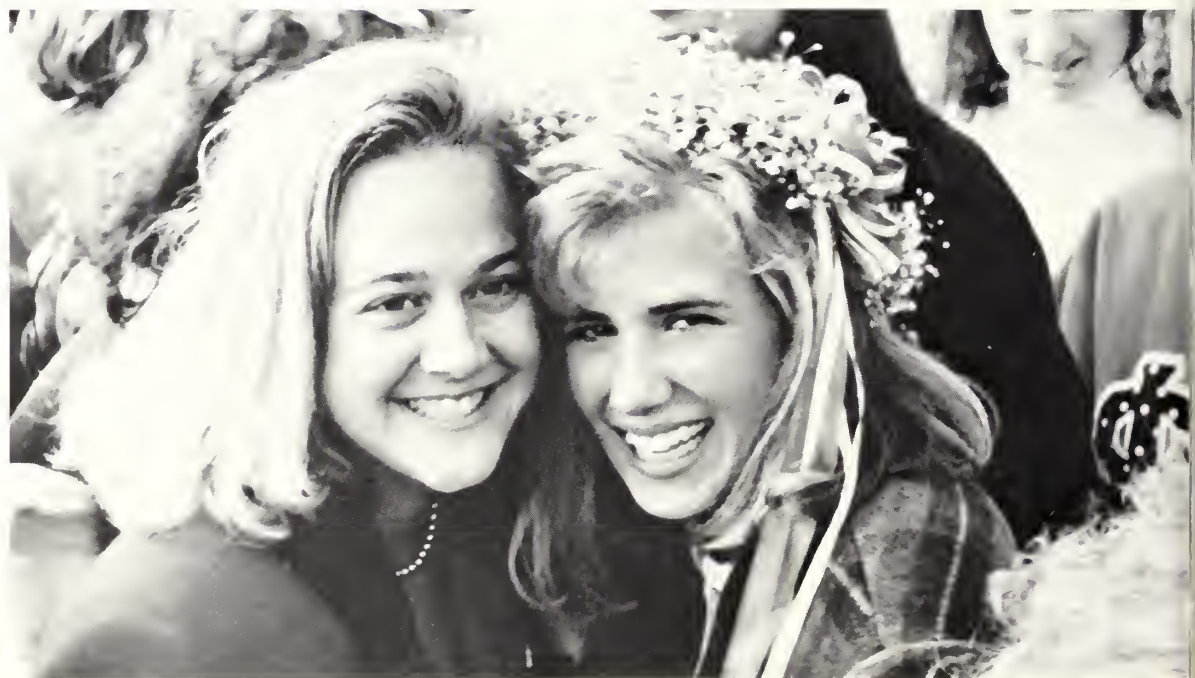

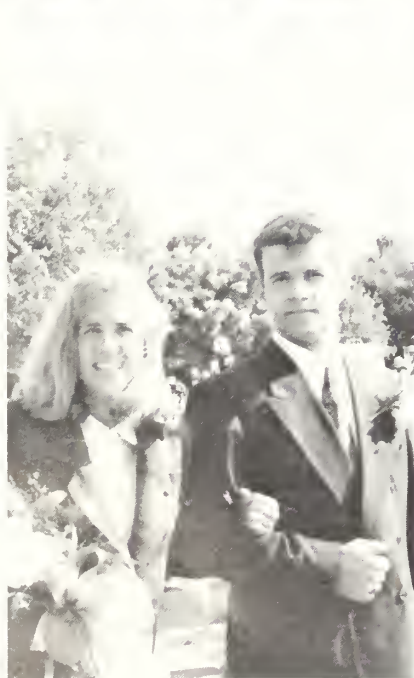

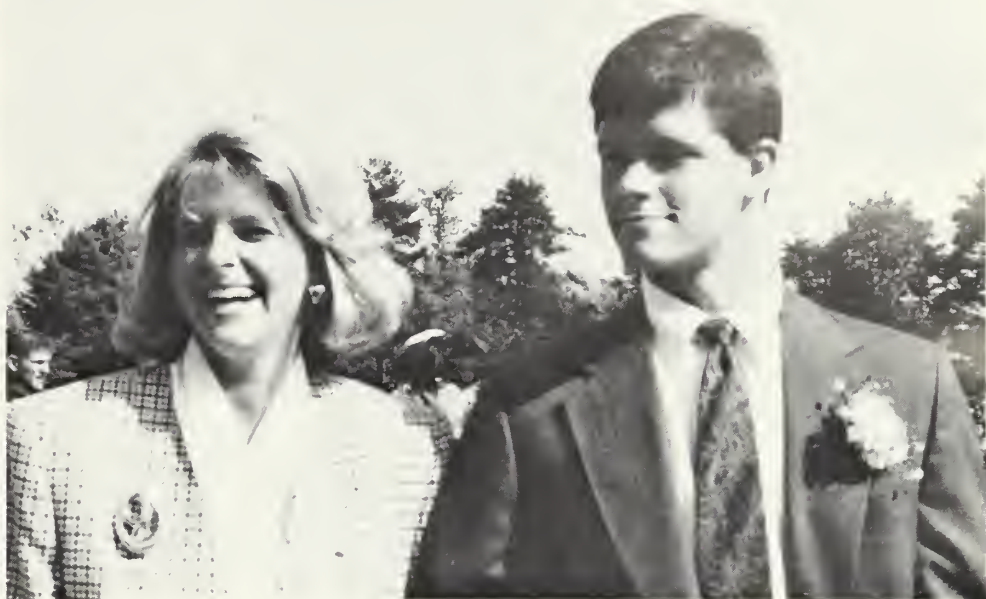

Homecoming

Avery Piper is Queen for the day

The Band

Marching Band makes comeback!

Friends

and smiles go hand in hand!

Anyone who would take a walk through Westminster's campus on a sunny day is sure to see friendly smiles and friendly people everywhere.

Vespers

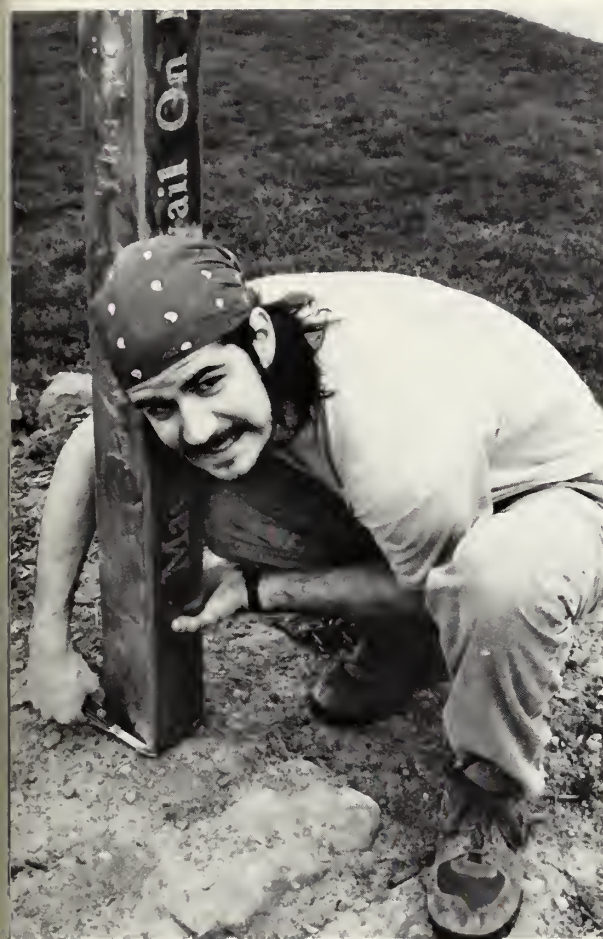

A moment to reflect

Westminster's everyday life!

Between Classes

Is there time for a chipwchich??

Sometimes there is enough time to kick off your shoes and frolic in the quad.....

....and sometimes there isn't even enough time for a smile.

Tammy Brown and Keith Bittle rested in front of Shaw soaking in some atmosphere before they both ran off to their classes.

Even though it was the dead of winter Jerry Kline and friend stood outside the TUB for a quick smoke before going to Calculus.

Amanda Gashel has just enough time to run in to check her mail before she is late for Grothius' Economic's class.

We aren't all lucky enough to have enough time to take a nap between classes. So, some of us seem to adjust our priorities and take a siesta INSTEAD of going to class.

A friendly face commonly seen talking to people, Kevin Mahoney sits with the boys at his usual table checking out the babes getting their mail.

College Life

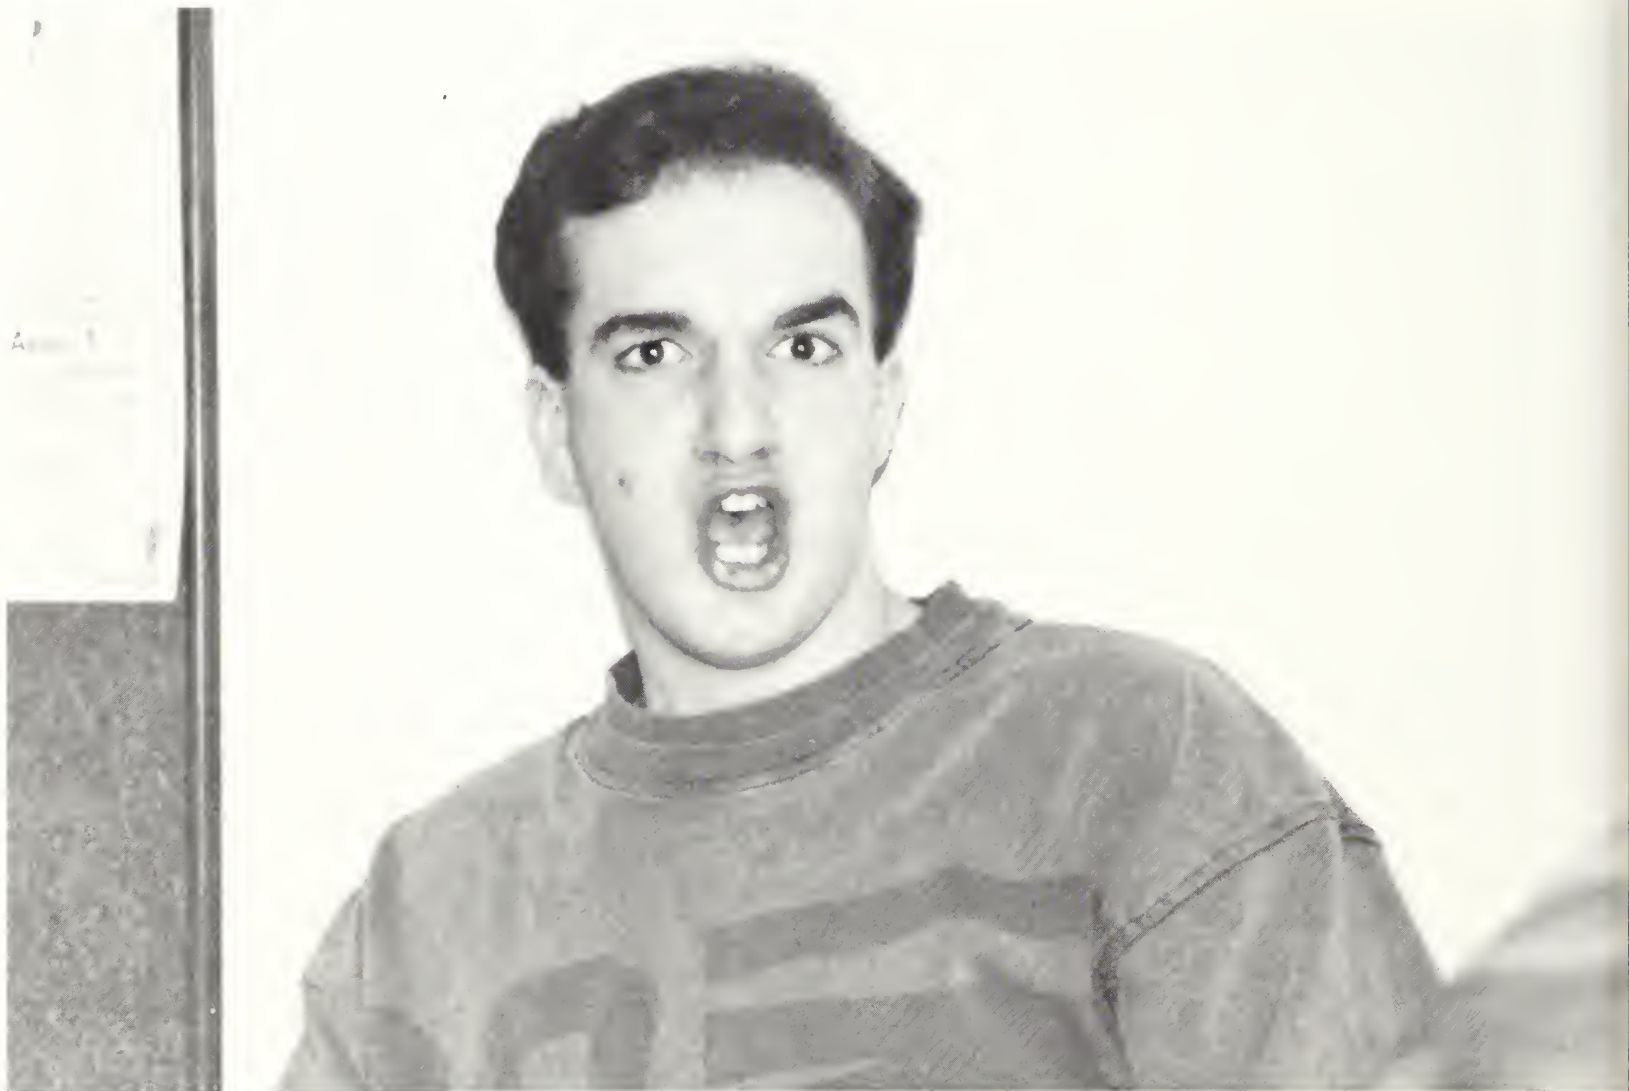

and Parties go hand in hand

Tub Rats

Everybody wants to go where
everyone knows your name

Sean Hile was caught by surprise sitting in the TUB instead of going to his Walking Fitness gym class. Apparently, Sean feels he does not need to attend such an exerting class.

A couple of common faces known to visit the TUB often were Chrissy "Weens" DeFillip and Kristin Anderson. These senior room-mates didn't have a regular table. They would just walk in, scout the place out and find someone interesting to talk with.

Erin spent many mornings hanging out in the TUB, although she is normally seen with her Theta Chi man.

Mandy Patterson took a few minutes to sit down with a drink before continuing another hectic day.

Chris Cole was commonly found sitting in the TUB munching on Chipwiches or "soft" pretzels with cheese.

Doug and Alyssa, seen here without Tori, decided to hide away from the crowd and try to study on top of the TUB. (Maybe Tori was the one who took the picture.)

Greeks

AT THE MOVIES

On May 1, the finale of Greek Week took place -- Sing-n-Swing. This year's theme was soundtracks, so each sorority and fraternity sang and danced to it's favorite movie. From *Footloose* to *The Sound of Music*, all the Greeks did a fantastic job, and the show was a great success. This year, the sisters of Alpha Gamma Delta and the brothers of Theta Chi repeated as Sing-n-Swing champs with their renditions of *Footloose* and *Animal House*.

The brothers of Sigma Nu go back to the fifties with their rendition of *Grease*.

The sisters of Alpha Gamma Delta get loose -- *Footloose* that is!

Senior Sig Kap Lynn Wirth gets down while she and her friends do some *Dirty Dancing*.

As Sandy and Danny in *Grease*, Larry Ondako and Craig Cross sing about their *Summer Nights*.

Sam Willis and Jessica Ireland enjoy the show as they get ready to "Shout Phi Mu!"

Looking good! Dana Scott belts out *Hey, Baby* during the Sig Kaps time on stage.

"Hey Dude, where's the music?" *Wayne's World* comes to Westminster with the help of Sigma Phi Epsilon.

1993

Alpha Gamma Delta

The Alpha Epsilon chapter of Alpha Gamma Delta was installed on Westminster's campus 67 years ago, and the sorority was founded nationally at Syracuse University on May 30, 1904. The AG's held both the "Alpha Cam" and the annual bowler's classic during the year to raise money for their philanthropy, the Alpha Gamma Delta Foundation, which helps in aiding research for all types of diabetes. During Creek Week, senior Lori Csaszar was crowned Westminster College's Greek Goddess for 1993, and the AG's captured first place in the Sing-n-Swing competition for the second straight year. In September, John "Willie" Arnold, brother of Alpha Sigma Phi, was chosen by the AG's to be their Sweetheart. A squirrel is the AGD mascot, and red, buff and green are its colors.

Kari, Val, Sherri, Meredith and Carol relive their own pick up day on "the wall." Mother and daughter JenMcLean and Mary Laskovics share in the excitement of the day. Willie joins AGD sister Ali Shope in his first pick up as an AGD Sweetheart. AGD pledges and sisters show instant bonding that will last a lifetime.

Kappa Delta

The Alpha Phi chapter of Kappa Delta was established on February 19, 1931 while the sorority was founded nationally at Longwood College, Virginia in 1837. Olive green and pearl white are the KD colors, and the sisters are represented by a Katydid and a nautilus shell. The KD's held a volleyball tournament and its annual 24-hour Dance-a-thon to raise money for several worthy causes. During Greek Week, the KD's received the scholarship award for having the highest sorority grade point average.

Phi Mu

The Beta Upsilon Chapter of Phi Mu was recently re-established on November 17, 1990. Phi Mu was founded nationally in 1852, making it the second oldest sorority in the nation. The Children's Miracle Network is Phi Mu's philanthropy. The second annual tennis tournament was held this year to raise money for CMN, along with a raffle entitled "A Night on the Town." Junior Avery Piper was crowned Westminster's 1992 Homecoming Queen. During Greek Week, Phi Mu was given the award for overall winner for the second year in a row. Phi Mu's colors are rose and white, and the lion is its mascot.

Sigma Kappa

Known for such events as the annual Miss Titan contest and the Strawberry Social, the sisters of Sigma Kappa ever strive to make the most of each activity. This national organization was brought to Westminster College in August of 1928. The Alpha Sigma Chapter preserves its tradition of excellence by thriving on philanthropic activities which support the fight against Alzheimers Disease and Unicef. Most every year the Sig Kaps are recognized for their significant charitable efforts. Represented by the dove and panda, this sorority is also known by its colors, maroon and lavender.

Zeta Tau Alpha

Zeta Tau Alpha was established nationally on October 15, 1958. The Delta Omega Chapter of ZTA can be found on the Westminster campus in their colors turquoise and steel gray. The Big Man On Campus contest is held by the Zetas annually in the fall in order to raise money for the Association for Retarded Citizens (ARC). They also offer Halloween treat bags for parents to send to new students. The Zetas also support the Toys for Tots campaign with the brothers of Sigma Nu during Christmas. The bunny is the Zeta Tau Alpha mascot.

Alpha Sigma Phi

In 1938, the Alpha Nu Chapter of Alpha Sigma Phi was established on the Westminster College campus. Every October, the Alpha Sigs transform their home into a Haunted House to raise money for the New Wilmington Ambulance Service. The Alpha Sigs also take part in the Adopt-A-Highway program. The 1993 Alpha Sig Spring pledge class put on quite a show at the annual pledge auction. Even some of the brothers had to get in on the act and auction themselves off as well. To top off Alpha Sigs' year, senior Basel Masry was crowned Westminster's 1993 Greek God during Greek Week.

GREEK WEEK

1993

During the week of April 25-May 1, certain students at Westminster could be found playing in volleyball and softball tournaments, showing their strength in the tug of war and singing and dancing to their favorite movie soundtracks. It was also reported that many male students were found doing their best female impersonations. What was going on here at good ol' WC? Well, it was Greek Week 1993, of course. Party on, Greeks!

A Miss Titan contestant gets the finishing touches on his make-up job done while waiting for the pageant to begin.

"Oh, my God, it's a dream come true!" Miss Theta Chi, Butch Bailey, reacts to being chosen as the 1993 Miss Titan.

A Kappa Delta sister gets ready to serve the volleyball to the opposing team during one of the many sports activities of Greek Week.

"Gee, 'Frenchie,' can you believe the summer Sandy had?"

"I pledge allegiance to the Miss Titan Pageant..."

"You better WORK!" Nate Armstrong does his best supermodel walk as one of the Miss ZTA candidates during the Miss Titan pageant.

The Sigma Nu pledge class became "The Pink Ladies" for the fraternity's Sing-n-Swing interpretation of *Grease*.

THERE *HE* IS...?

One of the highlights of Westminster College's Greek Week is the Miss Titan contest sponsored by the sisters of Sigma Kappa. The contest, annually emceed by Dr. William "Doc" McTaggart, shows a more feminine side of the men of Westminster with both a swimsuit and evening gown competition. Butch Bailey, representing the brothers of Theta Chi, was the lucky winner of the 1993 Miss Titan contest.

Young Soccer Team plays tough

During a well deserved time-out, Todd Whited and teammates discuss another strategy.

Corner kicks often lead to goals and Titan corner kicker Rick Rhoda does his best to put the ball in scoring position.

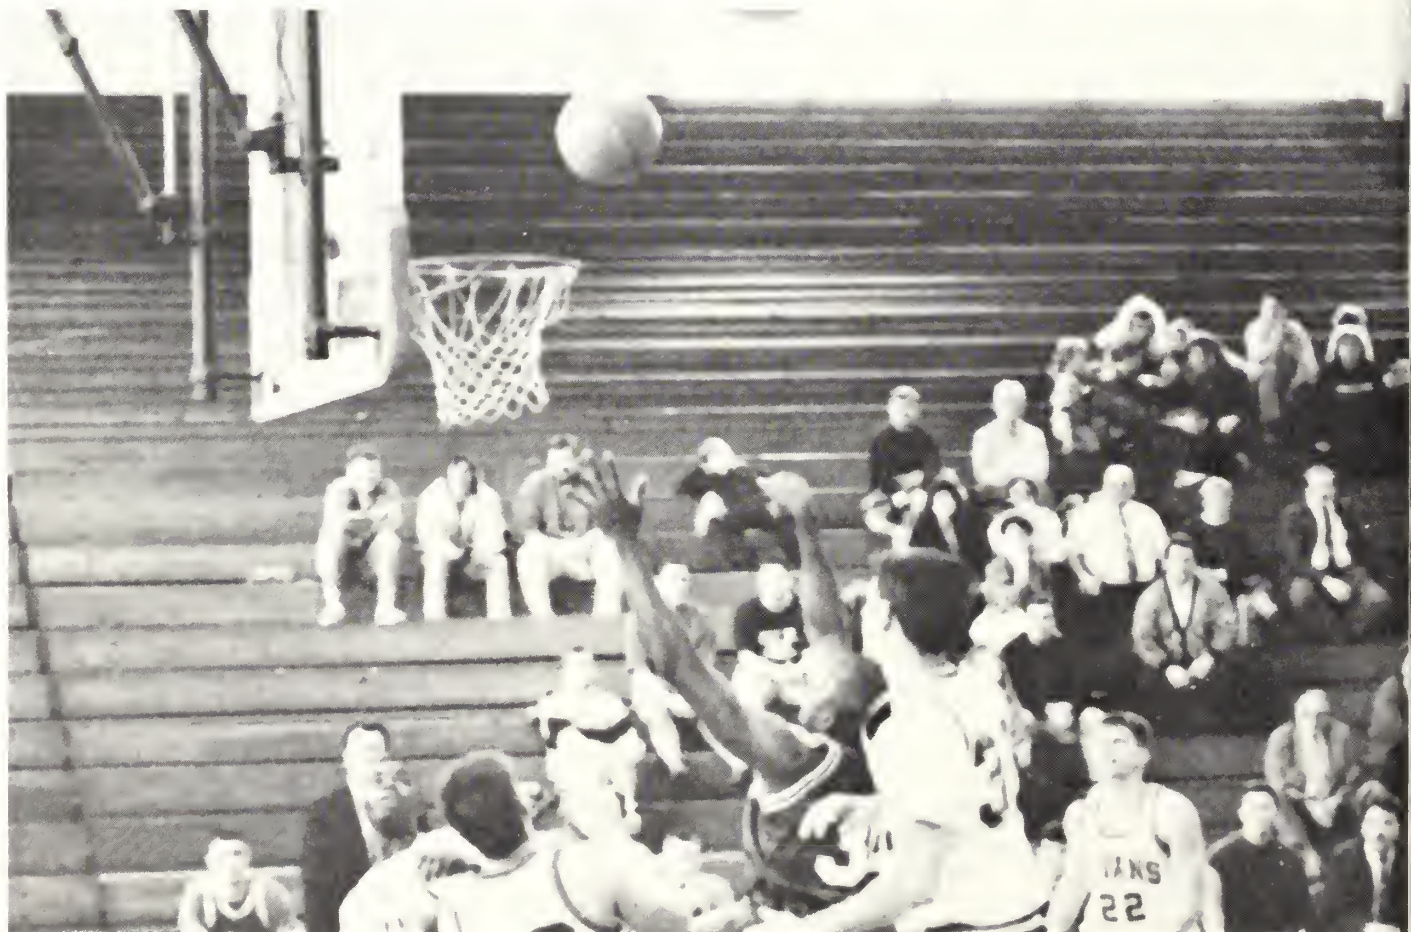

Seeing some action in their own territory, the Titan defense, led by goalie "Willie" (John) Arnold clears the way as Willie's powerful kick will soon send the soccer ball to the opponent's backfield.

Closing in on the opponent, Brendan Clancy and Rick Rhoda position themselves behind while their teammate cuts in from the side.

We've Got Spirit, How about You?

Traveling with the men's basketball team has its benefits... it's hard to tell who is enjoying whose company more, the basketball team or the cheerleaders?

"HEY GEORGETOWN...I think you here us knockin' and I think we're comin' in!" Making signs is another way, besides cheering, that the Titan Cheerleaders help to boost school spirit.

A rose once grew where all could see,
sheltered beside a garden wall,
And as the day passed swiftly by,
it spread its branches straight and tall.

One day, a beam of light shone through
a crevice had opened wide-
The rose bent gently toward its warmth
then passed beyond to the other side.

Now, you who deeply feel its loss,
be comforted - the rose blooms there,
its beauty even greater now,
nurtured by God's own loving care.

"God bless and keep you everywhere, and hold you in his loving care."

Richard A. "Arno" Roth, sadly missed.

I think it is best that I begin this with the same line that T.J. used last year. When I took the position of Editor-in-Chief, I didn't realize what I was getting into. I basically had to start from scratch, with very little knowledge of how to create a yearbook. Fortunately, I was blessed with an excellent staff whose praises I could sing for hours. To begin, a great big "Thank You" goes out to my advisor, Molley Spinney. Audra, your experience was helpful in some rough situations. Allison, I can't say enough, you will do an excellent job next year because you are AWESOME!!! Section editors, you guys pulled off a miracle. Stephanie, Amanda, Nicole, Val, Jenn, and Rachel, you kept me going when things got difficult and your support meant the world to me. Kristie, your skills as a photographer are the fiber that holds this book together. Without the pictures, what would the yearbook be? Spanky, thanks for making me smile, and for providing me with albums full of pictures of yourself. Chris, my late addition to the photography staff, thanks for reopening the darkroom. Tony, Tony, Tony the god of the yearbook. This yearbook would definitely be nowhere without your skill and guidance. Thanks for being around during all of the crises, and for being more than just a suit. I respect you very much and wish you luck in your next endeavor, I am truly sorry that Allison will not have your guidance, but she's not as flaky as me and I'm sure she'll do fine.

Finally my personal thank you section. Cathie, thanks for putting up with the multitude of 8 am yearbook calls and for all of the support throughout this whole thing. Stephanie, thanks for all of the late nights you kept me company while I worked on yearbook stuff, and for all of the little things that really add up. I'll miss you. Butch, thanks for supporting me, and reminding me to relax every so often. Finally, thanks to my family for listening to my yearbook stories that I know bored them.

I hope that this yearbook provides you with memories that will stay with you. I tried to capture the essence of what is important to the average Westminster student. The lack of a theme for the book is due to the fact that I wanted each section editor to create something according to their own individual talents and creativity. I did not want to place any restrictions. If there is anything significant about Westminster students, it is that we are all individuals. That is what this book is about, individuals.

Enjoy,
Melanie
